Functionality cookies

These cookies allow our websites, applications and services to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services

you have asked for. The information these cookies collect may be anonymized and they cannot track your browsing activity on other websites.

Targeting or advertising cookies

These cookies are used to deliver adverts more relevant to you and your interests. They are usually placed by advertising networks with the website operators' permission. They remember that you have visited a website and this information is shared with other organisations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organisation.

Web beacons and parameter tracking

We also use cookies and similar software known as web beacons to count users who have visited our website after clicking through from one of our advertisements on another website or in emails and to collect details of any products or services purchased.
